

# CAREER OPPORTUNITY

## APPRENTICE MACHINIST

**TITLE:** Apprentice Machinist  
**DEPARTMENT:** Shop  
**REPORTS TO:** Shop Production Supervisor

Hard-Line is a global leader in mine automation, network backbone connectivity and mine production optimization. Our vision is to provide enabling technology that will integrate and connect all aspects of safe mine operation.

Hard-Line is an equal opportunity employer that offers an excellent benefit package, RRSP match program and a strong focus on continuous training and development.

We are currently seeking an **Apprentice Machinist** to join our team!

### **JOB SUMMARY**

The Apprentice Machinist is responsible for assisting in the repair and maintenance of machining equipment according to company plans, blueprints and other diagrams, as well as operating various machining tools.

### **SUMMARY OF ESSENTIAL JOB FUNCTIONS**

- Set up, operate and maintain a variety of machine tools including computer numerically controlled (CNC) tools to perform precision grinding and other operations.
- Read and interpret blueprints/drawings
- Assist in the maintenance and repair of machining equipment
- Assist with detecting equipment malfunctions and adjust machines
- Comply with company ISO quality program and procedures, company policies and safety regulations.
- Maintain inspection records and complete inspection reports
- Maintain up to date knowledge of industry standards and practices.
- Perform other duties as assigned.

### **QUALIFICATIONS**

- Completion of a post-secondary Industrial Machinist/General Machinist program or equivalent level of relevant experience
- Apprenticeship training in progress would be considered an asset
- Previous experience in welding and fabrication would be considered an asset
- Experience working in an ISO 9001 environment is an asset

### **CORE COMPETENCIES**

- Ability to read and interpret blueprints
- Ability to work in a team environment
- Mechanical and technical aptitude
- Ability to work independently with a little supervision
- Troubleshooting and problem-solving skills
- Ability to lift up to 50 lbs.
- Safety conscious

**Interested candidates are encouraged to submit a resume to [info@hard-line.com](mailto:info@hard-line.com)**

*Hard-Line welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.*

*Thank you for your interest in HARD-LINE although due to the volume of applications only those applicants selected for an interview will be contacted.*
